The FORELAND and NEW ALBANY FRANCE.—For some time past we have heard several complaints in regard to the irregularity of the running of the above ferry but have refrained from mentioning the name in hopes that the evil complained of would be corrected. Yesterday morning a gentleman of our acquaintance arrived at the New Albany Ferry landing for the purpose of crossing the river to this side, but one of the ferries was busy in towing barges; he was unable to get across till after 8 o'clock.

On the 15th of Oct. a General Court martial was convened at New Albany to hear the case of a man who had been sent to the New Albany Ferry landing to make their trips regularly every twenty minutes, and kept a copy of the ordinances posted in the cabin of each of the boats. We hope for the accommodation of the public that the ordinance will be enforced.

At the Cosmopolitan Gift Book Store, 200 Fourth street, opposite the National Hotel, they received on yesterday a splendid assortment of rich holiday books, among which are all the standard poets, Shakespeare, Byron, Burns, Moore, Scott, Hemans, Dryden, etc. Also a splendid assortment of family Bibles in Turkey, antique and morocco bindings, prayer books in morocco and velvet, and the handsomest and choicest albums ever offered for sale in this city. All are in excellent condition.

The horses have just been received as a supplementary to the new books on their mammoth catalogue, which will be given gratis to the store, or mailed to any address on receipt of five cents. Buy your books at the Cosmopolitan Gift Book Store and save money.

Dr. W. G. Conner.—We take great pleasure in calling the attention of our readers to the advertisement of this finely-illustrated surgeon and physician, which will be found in another column of the Democrat. Dr. Conner has permanently located in this city, and is prepared to treat all cases of cancer, cancerous affections, chronic diseases of every description, as also all diseases of the eye and ear. We are assured, upon what we regard as the highest authority, that in the treatment of cancerous affections Dr. Conner meets with uniform and, in many instances, wonderful success; and we therefore recommend him to the afflicted with every assurance that they will be benefited.

Not a few days ago we referred to the instance of boys shooting at gas lamps with the fine-finished shot-guns and breech-loading shot-guns. They are now going around breaking windows and glass cases in front of stores. Several very costly windows were broken yesterday. We hope these "foolish inventions" will be done away with, or let the bad boys be arrested and the sale of the guns stopped. It may be fun for the boys, but it is costly to the citizens.

The great play of *Arrab na Pogne*, which started the audience on Monday will be repeated to-night. It is really a great play.

COMMISSION MERCHANTS.—We invite the attention of our merchants and the public generally to the advertisement of Messrs. Tyler, Johnson & Co., commission merchants and cotton factors, Main street, between First and Second. They are clever gentlemen and reliable and prompt business men.

There is now at the office of the Chief of Police a fine bullet hole which was taken from a white man who had passed a party of negroes, and which is supposed to have been stolen. Any person having lost the same will please call at the police office.

DISMISSED.—The court-martial convened by special orders No. 122, and Major-General Conner convened by special orders No. 176, from the Department of Kentucky, will, upon the completion of the cases before them, be dismissed.

COURT-MARTIAL.—The two negroes, Martin and Joseph Payne, and their cases concluded before Military Court-Martial yesterday. They were charged with releasing prisoners in the hands of a sheriff, near Bowlingreen, some time since.

RICOH.—We noticed yesterday a policeman checking the heading speed of a mule team by a spirited admittance to his driver. We are glad to see it, for the lives of pedestrians are daily imperiled by careless and rapid driving in our streets.

W. Scott Glore has just received Dennis' *Mirror of Fashions* for November, It is a most excellent number and every lady should have a copy.

Queen.—Up to dark last evening there was not a single arrest recorded on the slate at the jail. Our city is becoming very quiet.

The great play of *Arrab na Pogne*, which drew so great a house last night will be performed this evening.

WOODLEY'S RUNNING RACES.  
Second Day of the Fall Meeting.

Yesterdays was another most beautiful day for the running races, and the attendance at Woodley's was larger than on the previous day, which was the opening of the fall meeting. We were glad to see a large attendance of the fair sex, who were present to witness the contest of speed between the male and female contestants.
